GENERAL INFORMATION						FINANCIAL & EXPORT DATA		
Registered Number	사업자 등록번호	Established Year	1989	Certifications	IATF16949	(mil US\$)	2022	2023
HQ location	Cheonan, Korea	Overseas Sales Office & Plant		Number of employees (*R&D)	80	Annual Sales	24.44	22.96
						Annual Exports	13.73	12.59
SALES INFORMATION								
Major sales region (%)	Eurpoe (32%) North America (22%) Korea (45%) ETC (1%)		Major customer (%)	HL Mando (31%) ThyssenKrupp Presta AG (30%) THK RHYTHM AUTOMOTIVE (19%) ZF friedrichshafen (6%)		Major products (%)	Yoke (73%) Spline Shaft & Tube (19%) Shaft (5%) ETC (3%)	
PRODUCT INFORMATION								
			Assembled in the intermediate assembly of the passenger car steering system, it is used to determine the direction of the vehicle according to the driver's intention (applicable to both internal combustion engines and electric vehicles).					
Pinch Bolt Yoke								
			When the driver turns the steering wheel, the input shaft transmits this rotational motion to the steering gearbox, enabling the wheels to turn.					
Input Shaft / Wheel Shaft								
			Assembled in the intermediate assembly of the commercial vehicle steering system, it is used to determine the direction of the vehicle according to the driver's intention (applicable to both internal combustion engines and electric vehicles).					
Spline Shaft & Tube								
COMPANY OVERVIEW					Competitiveness & Sales Points			
<p>Hando Co., Ltd. specializes in the manufacturing of high-quality steering device components for both internal combustion engines and electric vehicles. A significant portion of our revenue comes from exports, and our mission is to provide superior steering components that enhance the safety and performance of vehicles globally. We strive to exceed customer expectations through innovative solutions, exceptional service, and a commitment to sustainability.</p>					<p>Hando Co., Ltd. has extensive experience in automotive parts production (40 years) and boasts a robust technical workforce. We have a 24-hour response system to meet the demands of our international customers (Technical Meetings, Quality, Delivery, Prototype &amp; Serial Product). Our export experience with global customers is extensive (Europe, North America, South America). We are recognized by our overseas customers for our cost competitiveness and superior quality, achieved through the application of dedicated automated equipment optimized for yoke products.</p>
